

# NEW Product Release

# LEWMAR® C.Q.R.® ANCHORS

The original drop forged C.Q.R.® anchor has gained international status for its superior performance and strength.

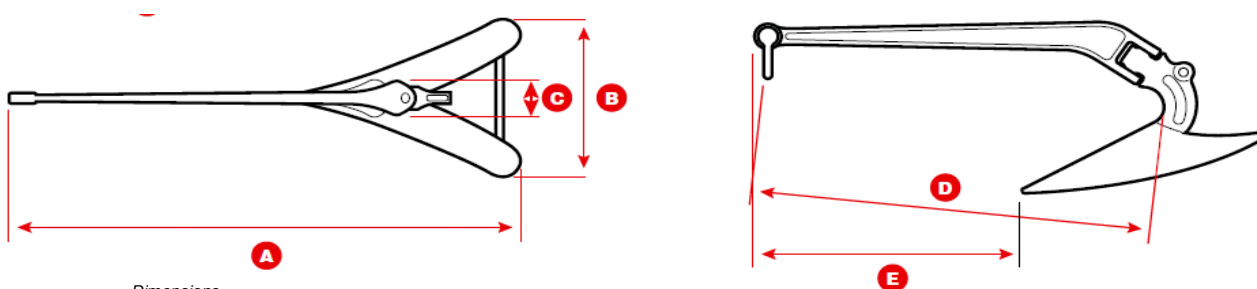

The construction of the C.Q.R.® anchor increases its strength and reliability under load, a genuine C.Q.R.® anchor will not break. The anchor's flute design and hinged shank delivers consistent setting and holding even in the very worst conditions.

The C.Q.R.® anchor is guaranteed for life against breakage<sup>1</sup> and has Lloyd's Approval as a High Holding Power anchor.

	ANCHOR WEIGHT		BOAT LENGTH OVERALL							
	kg	lb	6 m 20 ft	9.2 m 30 ft	12.2 m 40 ft	15.2 m 50 ft	18.3 m 60 ft	21.3 m 70 ft	24.4 m 80 ft	
146155	7	15								
146157	9	20								
146159	11	25								
146161	16	35								
146163	20	44								
146165	27	60								
146167	34	75								
146169	48	105								

Lighter shading represents the upper limit of model. If in doubt, move up a model. This information is for guidance only, final selection should be based on experience.
