

How To Identify Your Lewmar Hatch

Hatches Produced after October 1997 have information lasered in the the acrylic which will identify them.

Peel back one corner of the hatch seal to see this number.

The serial number is vital as acrylic or other parts may be shaped differently.

Always include a serial number with your enquiry.

Identifying features	SuperHatch	Rollstop	Trimline	Coastline & Transport	Ocean	Concept	Low Profile	Medium Profile
Production dates	1980-87	1986-92	1988-99	1991-99	1991-now	1994-00	1998-now	1999-now
